Terrifyingly they looked and the landing was free, the door creaked they went to room 13. Jade and Billy were the chatting ones and Jessica was the Bossy one and James was the Nervest one. Billy had smooth shining hair, glittering green eyes, silky smooth arms and legs. Jade had shiny blond strat grease hair, bright blue eyes, long legs. James had bright brown eyes, very tall, long orange hair.

Jessica had rocket red curly hair, olive green eyes sort arms and legs.

Cowusly Jessica turned to James and Confinst him "to go in the room now come on"

"bbbut I dont want to go in that dreaded plase!" There was no chance for the others to escape in fact they were in a diffrent room. The plan was in place. Unfortunately they knew what they had to do. Not everyone was entirely sure what they actually wanted to do it. it was definutly up to them now. but would it be like this for ever No one knew but what they do now is it was a vampire.

Haerts beking as fast as a flying cloce, the brave wories entered room 13. It took a breaif second or two for their eyes to object to the cave like

darkness of the hell hall. The Demons Coffin in front of them looking as in passing as a hundred Gigantic bell holer. The blood hovering beast lay inside. His demon skin almost seemed to reflect their fears as they looked upon him. Billy's torch flicked on and their shadows shon across the room. It was smaller than they had inspected but still big enough to keep their minds or if for a will.

At that moment Jessica told James to go and get the stake and to be quick. Suddenly Jessica got the cross and shon it on the blood filled coffin but then Jade whirled and got the torch and held it to the coffin. It opened there was nothing in it where was it? They looked it pushed, Billy got up. They worked towards him. Jessica put up her cross towards his black heart, then Jade pointed her torch to his bloodshot eyes. Billy picked the rock. James stood by the door so that he could not have got out and escape. They got the black heart. They got closer and closer, he was dead. Silence at last. No noise at all. Finally, it's silent, they did it!
